At the conclusion of last year's Grand Annual we raised \$111,383. It is our hope to reach or surpass this amount in order to help complete repayment of our church debt. Grand Annual envelopes are available on the tables around the church for those of you who have yet to contribute. If you would like to make your Grand Annual donation via Electronic Funds Transfer (EFT), those forms are on the tables as well. Please fill out the EFT form and return it to the parish office either by mail or you can simply put your Grand Annual envelope or EFT form in the collection baskets in an envelope marked to the parish office, attention Sharon.

ARE YOU REGISTERED...?

Many people feel that because they live in our parish area and attend Our Lady's Church regularly, that they are a registered parishioner. That is not the case. If you have not filled out a parish census form, then you are not "registered". The forms can be found on the tables at all the entrances of the church. It is very important for these forms to be filled out as this is the only way we have to get an accurate number of our parishioners. If you can't remember if you filled one out or not, you can either call Sharon in the parish office or simply fill it out just to be sure.

1000 CLUB NEWS

As we approach the completion of the third year of Our Lady's 1000 Club, we want to thank you for your continued support. The renewal letters have been sent out for our February renewals. If you would kindly send them back with your payment as soon as possible as this is our biggest renewal month and I want to make sure everyone is all set and ready to go when we have our February drawing. Over the past three years, our 1000 Club has raised between \$8,800 and \$11,000 annually for our parish, depending on the amount of numbers purchased and/or renewed. So please, if you do not have a 1000 Club number, consider purchasing one this year and if you already have a membership, thank you and please remember to renew.

MASS CANCELLATIONS DUE TO WEATHER

It's that time again. For several years the parish has had the policy of not having weekday 8am Mass when Waltham Public Schools close due to extreme weather conditions and public safety issues such as improperly cleared roads and sidewalks. To keep matters simple, when the Waltham Public Schools are announced as closed **OR** delayed, it is presumed the 8am weekday Mass has been canceled, due to the uncertainty of the conditions of the parish property. While great effort is made to clear parish property, the timing of the storm and its intensity makes it prudent to take these precautions for the safety of those considering attending Mass. During school vacation week, if a Mass is canceled due to weather, it will be put on our answering machine and on WBZ-TV.

THIS NEW YEAR...

This new year, mend a quarrel.
 Seek out a forgotten friend.
 Write a letter or call a friend.
 Be grateful for the many blessings you have.
 Share some treasures.
 Give a soft answer.
 Encourage youth.
 Forgive an enemy.
 Listen.
 Apologize if you are wrong.
 Think first of someone else.
 Be kind and gentle.
 Laugh a little.
 Laugh a little more.
 Express your gratitude.
 Gladden the heart of a child.
 Speak your love.
 Speak it again.
 Speak it once again.
 Take pleasure in the beauty and wonder
 of the earth.

A NEW BEGINNING

How often we wish for another chance
 to make a fresh beginning.
 A chance to blot out our mistakes
 and change failure to winning.
 It does not take a special time
 to make a brand new start.
 It only takes a deep desire
 to try with all our heart.
 To try and live a little better
 and always be forgiving.
 To add a little sunshine
 to the world in which we're living.
 So never give up in despair
 and think that you are through.
 For there is always a tomorrow
 and a chance to start anew.

OUR LADY'S ACADEMY NEWS

The sixth grade has been enjoying the holiday season. They did a great job leading the Mass on December 8th for the Feast of the Immaculate Conception. They have hosted bake sales and raffles as they raise funds for their trip to Nature's Classroom in Maine this spring. The 6th grade even sang like angels during this year's Christmas show. In Social Studies they are having a blast learning about pharaohs, mummies, and pyramids as they study ancient Egypt. Science is exciting as they study different organisms. All of the 6th graders showed off their writing skills as they shared stories about veterans they know. Many 6th graders take part in the basketball program and the 5th and 6th grade boys' basketball team is excelling as they are currently undefeated. It really is an exciting time to be in Middle School.
