**THERE WILL BE A PARENT MEETING AT THE BEGINNING OF THE YEAR
FOR YOU TO SIGN UP FOR THE FOLLOWING.....**

We will have signup sheets ready for you to sign up.....

HALL MONITORS

- Would you be interested in helping out with hall monitoring for next year? If so, please let me know. Two people are needed, one for the upstairs hall and one for the downstairs for each scheduled class. I will have a signup sheet at the first parent meeting in September.

GREETERS

- Families are to sign up to be greeters for weekend Masses between September and May, the 4pm, 9am and 11am. As a parish wide program, Religious Ed has to do their part also and cover 9 weekends. The Religious Ed Families have to cover the second weekend of the month. There are 5 doors that need to be covered at all Masses. You can come as a family, just parents, just kids, you can have two families team up, however we can do it to make sure our 9 weeks are covered. Doesn't matter how you work it out, but as long as all 5 doors are covered. So if you could check your schedules and mark your calendars early, that would be great. I will have a signup sheet at the first parent meeting in September.

CATECHISTS

- We are in need of catechists and aides in classrooms. Please prayerfully consider volunteering your time to share your faith with our children. No experience is necessary, just your willingness to teach our children. If you would be interested and would like to discuss this further, contact me in the parish office.
