COVID-19 Public Health Mandate of the Waltham Board of Health

The Waltham Board of Health shall institute an indoor mask mandate for all public places for people aged 5 and above. Exceptions will be made for patrons of restaurants and bars while seated at their tables or when actively eating and drinking. Exceptions will also be allowed for gyms, yoga studios, and exercise facilities if accepted rules of social distancing are honored.

This mandate shall go into effect as of Monday, October 4, 2021 and extend until November 1, 2021. The Waltham Board of Health reserves the option of allowing this order to expire on that date or to extend it based on what is deemed appropriate at that time.

October 1, 2021

Henry J. Merola, MD
Chairperson
Waltham Board of Health
